Dear Family & Friends,

Blessings in the Name of Jesus! We pray for the divine protection of the Lord over you and your family during this winter season.

Oswaldo and Barbara, youngest daughter of Eduardo & Fabiana, decided to be the first in their family to have a traditional church wedding, something that most don't do because of cost. Her parents were happy but thought it would be very simple, since it was 7 days away. But Pastor Eliana wanted to honor this faithful family, so with the help of two others, they decorated the church building & prepared canapés. The family was totally overwhelmed at how beautiful & anointed the ceremony was. Since then other couples have decided to honor the Lord in their marriage as they consecrate their vows before Him, and not just celebrating a civil ceremony.

Also Fabiana began working temporary, part-time for 2 weeks in a large grocery store, a place where she also shared her faith in Jesus. At the end of the two weeks, she was offered a job working full-time in the cafeteria, a surprising offer only given to workers after 1 to 2 years. Her overseers congratulated her saying that she was an extremely responsible, honest, good worker.

Recently, a number of new families have become part of the Lily:

- One family was traumatized after their home was robbed, their car wrecked, & other upsetting situations seemed to be overshadowing their family. Sis Sandra knew the wife from her son's school & invited her to come and allow the Lord to minister healing to her. She came & was greatly touched. Her husband, who was an extremely difficult person, had practiced witchcraft in the past. He came shortly after & also surrendered his life to Jesus. He has his own radio program as an announcer on a secular station now desires to have the Word shared on his program, which would reach a different group of people.
- Another family who Sid has known for years is now coming & is very happy. The husband is also building a webpage for the church, something that is long overdue.

Thank you for your prayers, support & love towards us & this ministry. We are so grateful to our Lord & Savior, Jesus Christ, Who has led us step-by-step with our family & with this ministry. It is unusual how when we "think" we know what His plans are for our lives, He changes things and tells us to just trust and obey His voice. As we keep our eyes on Him and our ears attentive to His calling, we are reminded "this is only our temporary home"! May the peace of God rule & reign in your hearts & lives also as we are all reminded that we are only pilgrims on this temporary journey & eternity is sooner than we think!

In His vineyard together for His honor and glory,

Sid & Kathy Luke
