Dear Family & Friends,

Blessings in Jesus' Name to you and yours! We pray that you are well & for the peace that passes all understanding to rule & reign in your hearts & minds this day in Christ Jesus. We have been so very blessed but know that there are others suffering beyond what we can image. May the Lord minister His peace to them during their time of grief.

The month of May is always an extremely busy month with graduations & end of year activities.

- Our youngest grandbaby, Isabella, Matt & Johnna's second baby girl was dedicated to the Lord. She is a total joy, full of smiles & easy going.
- In May, Jordan received his Masters Degree in Economics at Boston University. He has worked hard to accomplish this & we are very proud of him. He soon starts work at Cigna Ins.
- Arelie, Monica & Tony's little girl turned 1yr old! What a miracle she is! Kathy also enjoyed being with all five of our granddaughters for the first time!

Raising children has never been easy; many parents are children themselves. In Chile, we are seeing young couples realize the importance of establishing their family in faith in Jesus & direction from His Word. This is the next generation of believers, many of whom know little about God & His Word, but truly hunger for truth, love & direction.

Thank you for your prayers as we stand with our daughter, Merci & her family during this time of her husband's illness. Heaven is only a breath away.

As construction continues both in Antofagasta & at the Rehab Center, we are so grateful to you for your generosity towards this work. You are near & dear to our hearts & we are so very grateful to our Lord Jesus for you. Blessings in Jesus!

God bless all of our veterans & their families for the sacrifices they have made.

In His vineyard together for His honor and glory,
Sid & Kathy Luke

Happy Father's Day to every man who has invested into a child's life.
