MOTHERS DAY

Dear Family & Friends,

Greetings in Jesus Christ our Lord! We pray that you and your family are well & are sure that the warmth of spring has everyone ready to put Ole Man Winter back in storage for a while.

In Chile, fall is upon them and though the sunshine is still very warm, the wind & water can be extremely cold. Recently water baptism was a chilling event for everyone who "braved" the water, even Chileans who are accustomed to the cold ocean. But not one of the 10 backed down from their commitment to enter the waters of baptism.

Our outdoor plumbing leaves much to be desired. Hopefully soon we will upgrade.

Surprise wedding anniversary meal given to celebrate Sid & Kathy's 38 yr & Guillermo & Eliana's 16 yrs, both on April 5th.

Richard, the pastor's youngest brother, has worked & lived at the rehab center for years being faithful to oversee the property, worked on the well/water tanks & planted crops. His greatest love has always been horses. For years he worked with them & trained them. In the past few years he had attempted to compete in the rodeo races, but being an outsider, no one would allow him to participate. P.Guillermo promised to pray during intercession for an open door. Soon after, he was invited to race at a rodeo. And the surprise of all there - Richard won!

Thank you for your prayers for us & our family & the ministry. You are very important to us and we are honored to have you as friends & co laborers. Again thank you also for your prayers & your generosity towards us & this work. And to every mother, have a wonderful Mother's Day!

IT IS HARD TO BE A WOMAN

Act like a lady.
Look like a young girl.
And work like a horse. Copied*
